

PRODUCT DESCRIPTION

TOTACHI® Brake & Clutch Cleaner is a professional and highly effective degreaser for cleaning of brake pads, drums, discs, cylinders, ABS components and other parts of brake systems, as well as clutch parts. The improved formula accelerates the maintenance process without the need to dismantle and disassemble the brake & clutch systems. Eliminates creaking and increases the braking efficiency by deeply cleaning the micro particles caused by friction.

TOTACHI® Brake & Clutch Cleaner is used as a universal degreaser for vehicle maintenance. Removes any used oil and grease contaminates. The nozzle tube from the spray valve allows accurate dose of the active components and deeply cleans the targeted areas.

APPLICATION

Recommended for use in automotive repair and maintenance shops. It is a professional product meticulously formulated for cleaning of automotive brake and clutch components. Developed with strict adherence to the highest standards of quality and safety. Endorsed for application in automotive repair facilities, this product serves as a versatile degreaser during routine vehicle maintenance. While primarily intended for professional use, with appropriate precautions, it is also suitable in household use for removal of grease stains.

Shake the can before use. Spray the product on the areas that need cleaning. Repeat the process if necessary.

Do not use on plastic, painting, and varnish surfaces.

WARRANTY

TOTACHI® Brake & Clutch Cleaner meets or exceeds industry requirements. TOTACHI® guarantees full compliance with the written specifications indicated on product labels.

CUSTOMER BENEFITS

- **Braking System Efficiency**
Effectively eliminates oil, brake fluid, grease, and various contaminants from metal components. This product significantly enhances the efficiency of the braking system. Through its advanced degreasing and deep cleaning properties, it ensures a thorough cleansing of the disc and brake pads surfaces, contributing to optimal performance.
- **Extended Brake System Life**
Removes dust from brake mechanisms and rubbing parts.
- **Friction Reduction Properties**
Reduces the level of mechanical noise (creaks) during operation of the braking system.
- **Cost Savings**
Low product consumption thanks to economical spray dispensers will allow you to save on service station costs.

Before using this product, ensure it is consistent with OEM's recommendations for the equipment operating conditions and customer's maintenance practices.

TYPICAL TEST DATA

CHARACTERISTICS	UNITS	VALUES
Appearance	-	Clear liquid
Flash Point	°C	<-7
Relative Density at 20°C	kg/L	0.65

STORAGE AND HANDLING GUIDELINES

- Avoid exposing products to direct sunlight.
- Store in cool and dry places. Avoid exposing products to moisture.
- It is highly recommended to store drums indoors or under cover on pallets and racks.

HEALTH, SAFETY & ENVIRONMENT PROTECTION

Information on health, safety and environment protection is described in the product Safety Data Sheet (SDS). The SDS file contains details on potential hazards, precautions and first aid measures, as well as information on environmental impact and disposal of used products.

TOTACHI INDUSTRIAL CO. LTD. disclaims any liability in case the product is used with violation of these instructions and warnings, or it is not used for its intended purpose. Before using product other than intended, consult your local TOTACHI® distributor.
