

**PRODUCT DESCRIPTION**

TOTACHI® Chain Lube is an aerosol spray type lubricant that cleans, lubricates and protects effectively all types of chains such as roller chains of motorcycles, karts, bikes, chain saws, conveyor chains and other machinery. The product creates a stable film to coat the chain components, slowing down the wear between the pins and bushings in the chain joints. Instantly removes the debris, contaminants, deposits, residues and foreign materials in chains for a more efficient chain engagement with the sprockets. It prevents rusting and abrasions of the chains. It eliminates squeaking noises. Regular use of TOTACHI® Chain Lube extends the life of the chains. The product is for multi-purpose general use and is water repellent.

TOTACHI® Chain Lube quickly penetrates the chain links to reduce friction and prevent power loss, improving the overall performance and responsiveness for a smoother operation. It adheres to the chains upon spraying. High efficiency, low product consumption, thanks to economical spray dispensers, will allow you to save on service station costs.

**APPLICATION**

Recommended for use in automotive and bikes repair shops. It can be used as a DIY chain lubricant. It is a professional product used for lubricating chains and its components. It can also be used as general lubrication for chain drives, chain saws, pulleys, conveyors, hinges, sprockets, rollers, bicycles, snowmobiles, farm equipment and other parts to be lubricated. Developed with strict adherence to the highest standards of quality and safety.

Shake the can before use. Degrease and clean the chains to be lubricated for efficient penetration to chain links. Spray the product into the chain links and across the full length of the chain. Leave to dry.

**WARRANTY**

TOTACHI® Chain Lube meets or exceeds industry requirements. TOTACHI® guarantees full compliance with the written specifications indicated on product labels.

**CUSTOMER BENEFITS**

- **Extends Chain Life**  
Prevents wearing of chains to for lasting durability and longer chain life.
- **Improved Operation**  
Reduces friction to ensure optimum power during operations.
- **Cleaning Effect on Chains**  
Contains the right amount of solvent to effectively eliminate the debris and dirt.
- **Economical**  
Low product consumption thanks to economical spray dispensers will allow you to save on service station costs.

Before using this product, ensure it is consistent with OEM's recommendations for the equipment operating conditions and customer's maintenance practices.

**TYPICAL TEST DATA**

CHARACTERISTICS	UNITS	VALUES
Appearance	-	Clear liquid spray
Color	-	Transparent
Specific Gravity	kg/L	0.7
Solubility	-	Non-soluble in water
Evaporation Rate	-	Slow

**STORAGE AND HANDLING GUIDELINES**

- Avoid exposing products to direct sunlight.
- Store in cool and dry places. Avoid exposing products to moisture.
- It is highly recommended to store drums indoors or under cover on pallets and racks.

**HEALTH, SAFETY & ENVIRONMENT PROTECTION**

Information on health, safety and environment protection is described in the product Safety Data Sheet (SDS). The SDS file contains details on potential hazards, precautions and first aid measures, as well as information on environmental impact and disposal of used products.

TOTACHI INDUSTRIAL CO. LTD. disclaims any liability in case the product is used with violation of these instructions and warnings, or it is not used for its intended purpose. Before using product other than intended, consult your local TOTACHI® distributor.
